

Reach the limits.

Track Shuffleboard Table · Rafael Rodríguez

In play, as in life, you have to be bold, challenging the established limits without going beyond them. This is exactly what the Track shuffleboard table is like. Track dares to break the conventions of the classic shuffleboard game, with its design of sleek lines and firm, imposing beauty. It dares to innovate by making tough steel the undisputed star of the pitch. Track gives you a challenge in the distance, with only the path separating you and your desire to win. The precision of your shot connects the departure point and destination: to play.

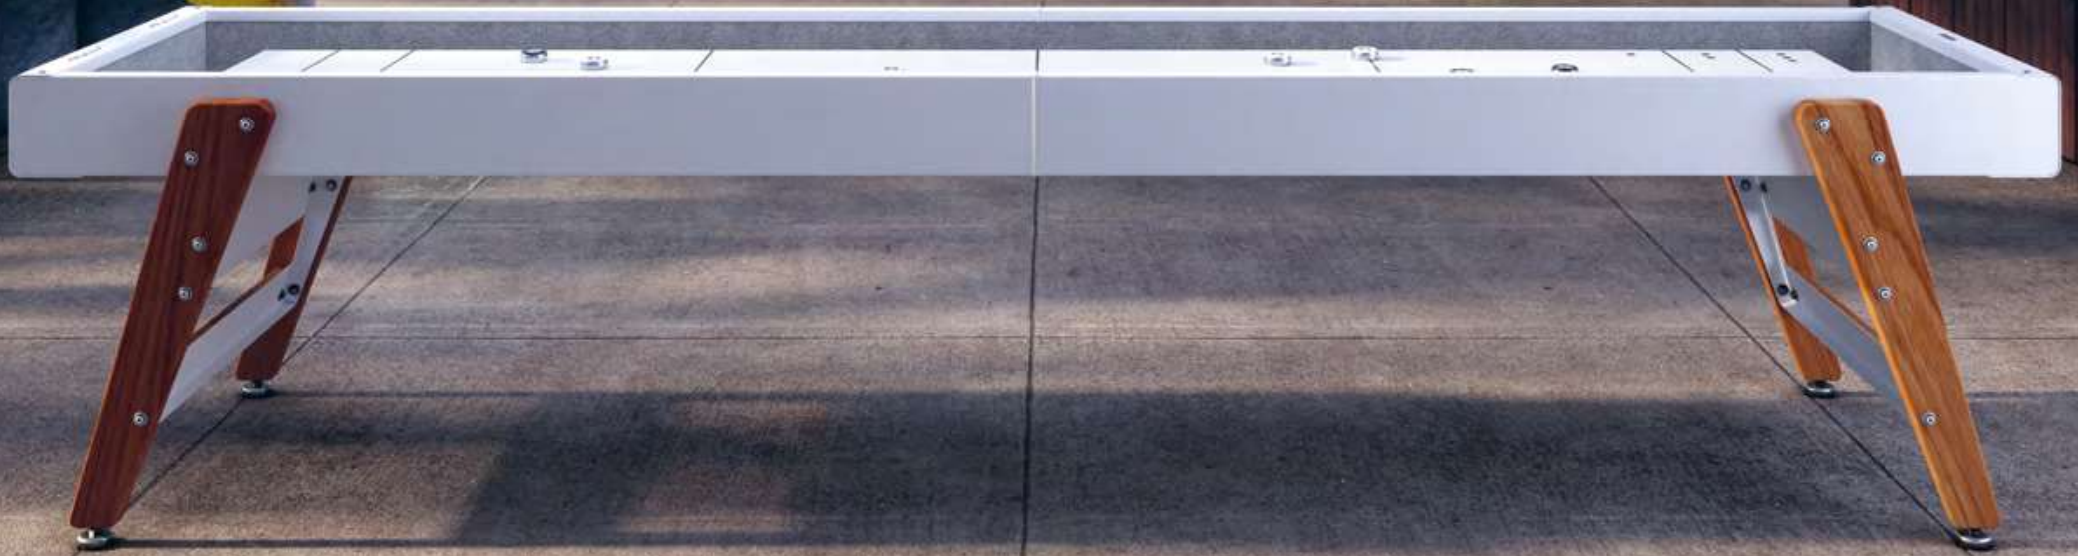

With its glass top, Track Dining shuffleboard is both a game table and a tall bar table. In fact, the game, with some snacks and drinks to share, has a different flavour.

En el juego, como en la vida, hay que atreverse. Retar los límites establecidos sin sobrepasarlos. Así es exactamente el shuffleboard Track. Se arriesga a romper los clichés del shuffleboard clásico, con un diseño de líneas mínimas y de belleza imponente y firme. Se atreve a innovar con la dureza del acero como protagonista indiscutible del terreno de juego. Te marca un reto en la distancia. Solo la pista te separa de tu anhelo de victoria. La precisión de tu lanzamiento une el origen con el destino: el juego.

Con el sobre de cristal, Track Dining shuffleboard es a la vez pista de juego y mesa alta. Y es que el juego, con unos aperitivos y bebidas para compartir, tiene otro sabor.

It's not how big you are. It's how big you play.
